The service was available to download as a PC game on EA's Games Store, as well as in the App Store and the Google Play store. In an emailed statement to Polygon, an EA representative said that EA Access has been removed from its digital storefronts because it is "a complimentary product to all of our consumer-based titles." The service launched in November 2015. Every month, EA offers players access to a collection of games 50b96ab0b6
